

**Below you will find 6 different cases of online sexual harassment. For each case, write down your feelings / concerns / thoughts that the protagonists of these incidents may feel and suggest possible solutions.**

**Case 1: Someone is sending you sexting messages on your cell phone, especially at night. The number is private. What are you going to do?**

**Case 2:** A person you have been chatting with on the internet for about two months and whom you really like, asks you to send him provocative photos. If you do not do what he asks you to do, he will cut off communication with you. On the one hand you do not want to do it, but on the other hand you do not want to lose touch with this person. What are you going to do?

**Case 3: A friend of yours, without your permission, has edited your photos in such a way that they leave sexual innuendos. He/She wants to post them on his profile for popularity reasons. How will you react?**

**Case 4: Someone you do not know, but who you have been talking with online for a long time, wants to meet you. So do you. What are you going to do?**

**Case 5:** For a post you made, without offending anyone, you are constantly receiving numerous comments of internet hatred e.g. threats, curses, etc. What are you going to do?

**Case 6: It has been found that someone has created a fake profile, using your personal information. What are you going to do?**
