

Bach, Beethoven, Chopin.....where were they from?

1. **Draw** a map of Europe in a class wall and place the names and pictures of the composers on their country area.
2. Make a short **discussion** in class to get a final **conclusion about “Classical” Music.**

You can use the following questions:

- A. Which countries have a bigger quantity of composers?
- B. Which one is the “golden age” of the “classical” music? Artistic period? Century?
- C. Is “classical” music an important part of the **European culture**?
- D. Could we say that **occidental culture** means **European culture**?
