

Basal metabolism

What do you think?

KLEO KALOGERAKOU JUL 26, 2021 06:05PM

What do we mean by the term 'basal metabolism'?

**"There is no way I can lose weight, because I have a low metabolism".
Comment.**

**"I don't gain weight easily while I can eat anything I like, due to my high metabolism".
Comment.**

Mention three factors that affect the function of basal metabolism and explain how they affect it.
